ARE YOU INTERESTED IN BECOMING AN MMF WEATHER KEEPER?

NAME:

DATE OF BIRTH:

AGE:

MALE:

FEMALE:

NON-BINARY:

EMAIL ADDRESS:

ADDRESS:

PHONE NUMBER:

MMF REGION:

MMF LOCAL:

1. **Where are you located?** (Please provide as much information as possible, e.g., address, coordinates, google pin, etc.)

2. **Please describe the type of land ON your property** (e.g., deck, trees, shed, gardens, swingset, etc...)

3. **Please describe the type of land AROUND your property** (e.g., forested, pasture, any waterbodies nearby, agricultural uses, etc...)

# MANITOBA MÉTIS FEDERATION WEATHER STATION APPLICATION

4. **Do you own the property?** (Y/N)

5. **Do you live there full-time? Part-time? Seasonally?**

6. **Does your property have WIFI?** (Y/N)

7. **Site Photos: Please send with your application any photos and/or videos of the property, specifically the possible site locations for the Weather Station to [phoenix.combe@mmf.mb.ca](mailto:phoenix.combe@mmf.mb.ca)**

**\*Note:** considerations for choosing the best location site

- The footprint for the Weather Station is 10ft tall and 6ft on either side (held down by guy wires),
- There should be no trees nearby to interfere with the wind,
- It should be in a sunny spot for the solar panel,
- Take photos facing all cardinal directions (N,E,S,W) at each possible site.

8. **Would you be able to complete bi-weekly online reports (take approx. 5mins)?**

9. **Would you be interested in conducting any environmental monitoring on the property?**

**Please select all that apply:** (Y/N)

**Wetland Monitoring**

**Water Monitoring**

**Pesticide Monitoring**

**Air Quality Monitoring**

**Winter Monitoring**
