

Métis Harvesting Survey for Harvests Between April 1, 2023 to March 31, 2024

The knowledge you are sharing with us is invaluable as it gives us the ability to know more about the resources and practices Red River Métis harvesters do in the Manitoba Red River Métis community. This information is confidential and will be used collectively and not by an individual person. All information shared will be used for purposes authorized by the Red River Métis Harvesting Initiative and will allow your Red River Métis government to represent the best interests of all Red River Métis Harvesters in Manitoba.
